

Sanitaire Royal Flush Fluid

Biological Toilet and Commode Fluid

Royal Flush Toilet Fluid concentrated blend of detergents, natural microorganisms and enzymes that quickly digests and liquifies solid waste and prevents odours. Formulated specially for portable toilets and commodes, replacing formaldehyde based products.

Biodegradable Royal Flush is compatible with all types of drainage systems, including septic tanks.

Only activated by dilution with water, cannot be overused nor cause damage to the drainage system.

- 🌿 Biodegradable
- 🌿 Non harmful
- 🌿 Highly effective in all chemical toilets
- 🌿 Easy and convenient to use
- 🌿 Prevents odour
- 🌿 Neutral pH of 7

TECHNICAL INFORMATION

Royal Flush Toilet Fluid is a dark blue liquid with a pleasant cherry fragrance. Royal Flush contains many strains of non harmful microorganisms.
